

SUFFERING FROM ADHD?

We want to hear how the pandemic is affecting you!

Mount
Sinai

Who?

Anyone with a diagnosis of ADHD aged 18 to 30 years

Why?

We want to understand how the ongoing COVID-19 pandemic is affecting your life, your mental health and your daily behaviors

What?

Answer one 15-minute online questionnaire every month until the end of the pandemic (max. 7 times) and once 6 months after the end of the pandemic

How?

To participate, visit https://is.gd/adhd_covid or to learn more, call (917) 524-9561 or email anna.rommel@mssm.edu
